

Terms of Use

ATTENTION: This website ("Website") is operated by Stackpole International ("SI"). The following terms apply to your access to and use of the Website. Please read them carefully before you decide whether or not to use the Website. Your use of the Website constitutes your unreserved agreement to all the terms set forth below.

Disclaimer

1. Change of Information - SI endeavors to keep all information in the Website accurate, complete and updated to the extent practically possible; nevertheless, SI does not guarantee the accuracy, completeness and reliability of such information. SI reserves the rights to update any and all information, including these terms, in the Website at any time without prior notice. Please check these terms periodically for changes. Your continuous use of the Website constitutes your acceptance to the changes in these terms.
2. Use of Information - The Website is for informational purpose only. SI does not provide any warranty or make any presentation to the information made available from the Website, and disclaims any damage, loss, or disadvantage that may result from using such information.
3. Availability of Information - SI does not guarantee the availability of the Website at all times and disclaims any damage, loss or disadvantage as a result of unavailability of the Website, including but not limited to, temporary service suspension or termination, broken links or images.
4. Safety - SI does warranty any safety for your use of the Website and disclaims any damage, loss or disadvantage arising from loss of data or virus attack when you are using the Website, including but not limited to, downloading and electronic mailing.
5. External Links - external links directed from this website that are not within the stackpole.com domain are not under the control of SI. SI is not responsible for the content, changes and updates of any external linked sites. The provision of these external links are provided for your convenience only, and does not constitute SI's endorsement nor represent SI's opinion on them.
6. Geographical Coverage - The Website is controlled and operated by SI. SI does not warrant that the products and services demonstrated on the Website are always appropriate or available for use in other locations. Users of this Website from other locations do so on their own initiative and are responsible for compliance with local laws, if and to the extent such local laws are applicable.

Copyright

Trademarks, logos and service marks displayed on this Website are registered and unregistered trademarks of SI, its licensors or content providers, or other third parties. All of them are the properties of their respective owners. Nothing on this Website shall be construed as granting, by implication or otherwise, any license or right to use any trademark, logo or service mark displayed on the Website without the owner's prior written permission.

This Website and all of its content , including but not limited to, text, design, interface, software, photos, video, graphics and audio, unless otherwise stated, are protected under copyright laws.

Information and materials found in the Website are limited to personal and non-commercial use only. Any commercial uses of such information or materials, including but not limited to, publication, broadcast or redistribution in any medium are prohibited without SI's prior written approval.
